

Women's Voices -Block 6 Dolly Madison Star

Cut your 8 surrounding strips from the background fabric and set aside. Using an acrylic ruler measure your templates for size and cut all required pieces from background and fabrics 1-4. I found that it helps to draw a cutting diagram for yourself on a piece of paper first to make sure you don't short your fabric. For triangle templates measure template for square size and then cut diagonally for triangles.

Suggested order for sewing template D pieces together. These are tiny triangles and they can be sewn by hand or machine. Pin pieces together well to prevent stretching while sewing on the bias.

You can place the center nine patch blocks in either block for a different look.

Add sashing and cornerstone pieces to complete blocks.
