Fun & Done Quilting

Satisfy your need for speed. The quilts are assembled using a quilt-as-you-go technique. The piecing method allows you to complete the quilting as you assemble each block. Sew the blocks together, and you're done. The technique uses the Batting Buddy Template consisting of a Frame Template and a square template (use of the templates makes the construction much faster and easier). Choose from the Zip strip Quilt - This pattern can be made as a runner, crib, lap and a twin size or Easy Diamonds Quilt - This pattern the pieces are positioned diagonally on the blocks to give you a geometric design when finished.
