T-Shirts, yep we all have them. Your kids wore them at all those sporting events, you have your own favorites, or a family member has collected them because they have special meaning. You don't want to throw them away, so what's next? Go find the box they're stored in, bring them to class, and let's turn them into a great family heirloom. It's easier than you think. Learn how to prep, cut and design a great t-shirt quilt.

Supply list:

T-Shirt Quilts Pattern by Eleanor Burns

Rotary cutter with new blade

Cutting mat (18" x 24" or larger)

15" or 16" square up ruler for adult t-shirts

12.5" square up ruler for child t-shirts

6" x 24" or 6 1/2" x 24 1/2" Ruler

Pressing cloth

Sashing Fabric – follow requirements on pattern for number of t-shirts you have. Choose fabrics that compliment the t-shirts or use favorite colors.

Woven fusible interfacing (follow pattern requirements)

Sewing machine in good working order (Don't forget your cords and foot pedal. Sewing machine manual also handy)

Aurifil Thread (50wt is best for piecing)

Scissors, Seam Ripper, Stiletto

Pins (Long glass head pins work best)

Glow-line tape (Optional)

Before class:

Wash all of your shirts. DO NOT use fabric softener. The woven fusible may not work well when fabric softener is used.

*****You must know how to confidently operate your sewing machine, how to thread it, wind a bobbin, change settings, etc.**
